

INTRODUCTION

Another phenomenal year of training has drawn to a close at CISTC, and it's all thanks to our experienced Trainers and the incredible team working tirelessly behind the scenes. A huge round of applause to all the individuals who passed their tests this year! The construction industry is booming, with new projects sprouting constantly, creating an ongoing demand for skilled workers. It's safe to say that this year, the industry has gained quite a few talented individuals!

Ensuring we have the latest plant machinery at our centre remains a top priority in supporting those aiming for success in the construction field. Thanks to the support and provision from JCB, we kicked off the year by introducing a new training course: JCB Backhoe Training, just one among several new courses now available here!

Throughout the year, we actively participated in Expos to showcase our business offerings, aiming to inspire as many individuals as possible to embark on a career in construction.

Partnering with Natta Building Company, we engaged in various charitable events, from their annual charity golf day to the National Three Peaks Challenge. Joining these fundraising endeavours unites like-minded individuals toward a shared objective, while also raising crucial funds for important causes.

Our efforts in 2023 led to the attainment of new accreditations, including becoming an Allmi Member Company and a Smart Awards Centre. This expanded our capacity to deliver more specialized courses that are otherwise hard to find.

Bring on 2024! We're eagerly anticipating what lies ahead!

GOOGLE REVIEWS

"Just completed my SMSTS with Mick B who is a great instructor and the five days have flown by. We had a great group of people involved in the course which helped with interaction and sharing different experiences."

- Mick Nestor ✓★★★★★

"So glad I listened to google reviews and booked a A17 tele handler course at cistc. Dan the instructor was very helpful what he didn't know was not worth knowing. The canteen is amazing as well the breakfast was very nice. Overall a very pleasant experience definitely would use again for any training needs. Well done Dan and CISTC crew. 5."*

- Wayne Pemble ✓★★★★★

"Excellent course. Danny, Doug and Dimi all so helpful and knowledgeable. I started as a complete novice and never thought I'd pass. But with the help I did pass. Many thanks to them all. Excellent place for training. Great canteen."

- Chris Hawkins ✓★★★★★

NEW JCB BACKHOE MACHINE

JCB Backhoe Training & Testing now available at CISTC!

At the start of the year, a brand new JCB 3CX Plus Backhoe Loader arrived at our training centre!

Thanks to Georgina Williams, from JCB, and their partners, Greenshields JCB Limited, for delivering this to us and showcasing the MANY features of this machine!

If you are an Excavator driver who holds your CPC Blue Card, you can now get trained on this and jump straight to blue category as it shares an NVQ!

About the JCB 3CX Backhoe Loaders

JCB's iconic Backhoe Loader is as fresh and innovative today as when it was first invented in 1953. JCB have constantly reinvented it to keep ahead of the competition and provide real solutions to customer needs. Today, they are the world's biggest selling manufacturer, with nearly half of all backhoes sold being a JCB.

3CX SITEMASTER

The new range of Stage V 3CX Sitemaster machines are designed to help you be the master of all jobs, on any worksite.

Max. Engine Power
55kW - 81kW

Operating Weight
**7,887kg -
9,500kg**

Max. Dig Depth
6.51m

3CX COMPACT

The 3CX Compact backhoe is a highly versatile, manoeuvrable machine that specialises in a wide variety of duties in urban and limited-space environments.

Max. Engine Power
55kW

Max. Dig Depth
4.33m

Operating Weight
6,070 kg

NEW TO THE TEAM

Meet our newest team members: Matt, Kate, Simon and Gareth who joined our team in 2023.

CISTC have over 50 years of combined experience in the training industry. Find out more about our fantastic team on our website, [cistc.co.uk/about/meet-the-team](https://www.cistc.co.uk/about/meet-the-team), who are ready to manage all your training requirements.

APPROVED CENTRE

CISTC become an approved Allmi Company!

CISTC are pleased to announce that we are now an ALLMI member company, meaning we can now deliver Allmi Lorry Loader courses at our training centre or at your site!

CISTC become an approved Smart Awards Centre!

We are now accredited to deliver the following Smart Awards Courses at our centre:

- SA001 Overhead Safety
- SA002 Safety Underground
- SA006 Safe working in Civils

CHARITIES & EVENTS

CISTC sponsor hole for Swings and Smiles Charity

Back in July, CISTC sponsored a hole for **Swings and Smiles Charity** at Sherfield Oaks Golf Club.

The annual golf day was set up by two friends, Carl and Jon, (featured in the photo) to raise money for Swings and Smiles. CISTC are passionate about giving back to local charities, so it was great to play a part in this day.

Swings and Smiles provide children and young people aged 0-18 years old with special needs and disabilities a safe place to play. The centre opens 7 days a week, to support the children and their families.

CISTC Attend Natta's Annual Charity Golf Day!

Thank you to the Natta Group for inviting us to their Annual Charity Golf Day 2023!

We had an amazing time and it was great to catch up with some of our clients!

CISTC take on the National Three Peaks Challenge

On July 22nd, Elliot, Angela and Doug from CISTC and a select few from the Natta Group took on the National Three Peaks Challenge, raising **£6,999** for the **Rainbow Trust Children's Charity!**

The National Three Peaks Challenge involves climbing the three highest peaks of Scotland, England and Wales, within 24 hours. The total walking distance is 23 miles (37km) and the total ascent is 3064 metres (10,052ft).

Rainbow Trust Children's Charity supports families who have a child with a life-threatening or terminal illness. Thank you to everyone who donated and supported the team on their trek!

CISTC exhibit at the Future Skills Forum Launch

In September, Elliot Braund and Kate Chandler from CISTC attended the Future Skills Forum Launch.

It was a fantastic opportunity to reconnect with many of you, stay updated on the latest industry news, and showcase what we have to offer as a company.

If you weren't able to attend the event or visit our stand, we invite you to explore our website for information on how we can enhance your workforce's skills. - <https://cistc.co.uk/>

NEW TRAINING MATRIX HEALTH CHECK

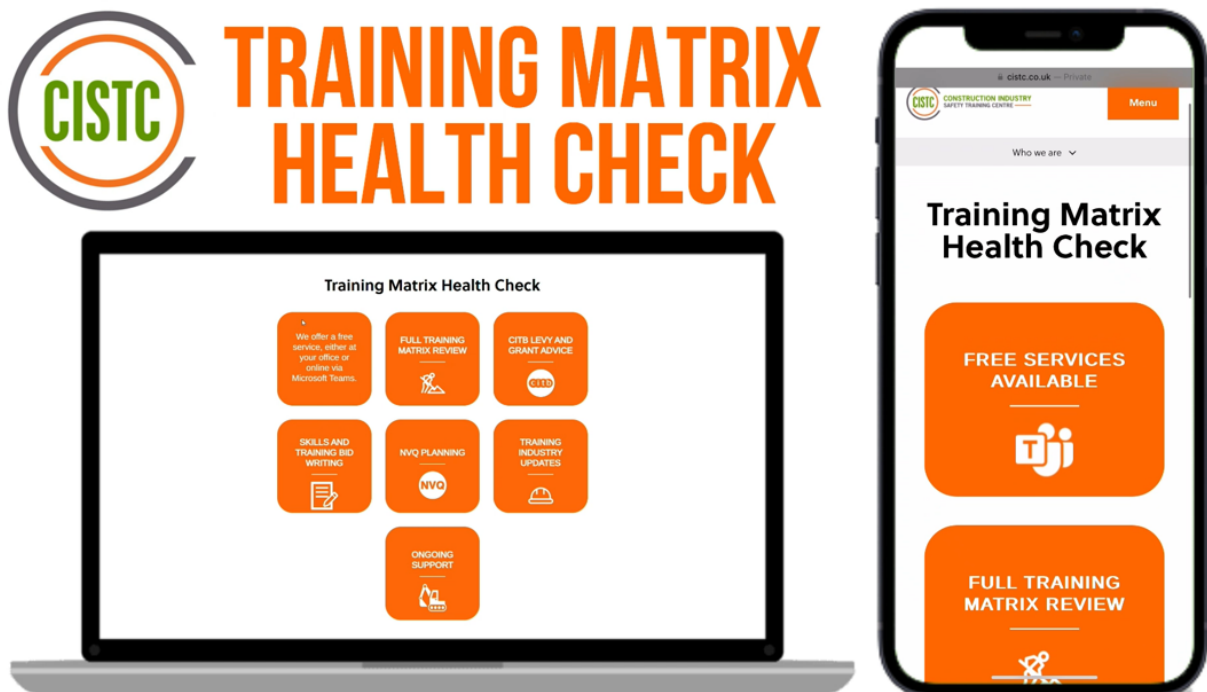

CISTC provide ongoing advice and support through their new Training Matrix Health Check!

Here at CISTC, we are always looking for ways to facilitate the growth of your skills within the construction sector. Choosing us as your training provider means you'll have access to continuous guidance and insights from our friendly, experienced team even when you've completed your training with us.

Some of the benefits include:

- Free Services Available – We offer a free service, either at your office or online via Microsoft Teams.
- Full Training Matrix Review – We supply a full review of your current Training Matrix.
- CITB Levy and Grant Advice – We can supply you with advice on your CITB Levy and Grant options.
- Skills and Training Bid Writing – We can advise you on your CITB funding entitlement and help you write up your application to secure funding.
- NVQ Planning – We can assist you with your NVQ planning.
- Training Industry Updates – We provide updates on future changes within the training industry.
- Ongoing Support – We provide scheduled ongoing support every quarter.

Check out our Training Matrix Health Page on our website - <https://cistc.co.uk/about/training-matrix-health-check/>

Why not embark on your construction journey today? And what better starting point than with us at our training centre!

Contact our team today: Email: info@cistc.co.uk / Call: 01252 855433 to book your next training course.

We're always ready to help!
